Yes. I am available to talk on Monday and I'm looping in the Case Manager, Brittany Martinez. As EPA has regulatory timeframes for processing nondiscrimination complaints, we are eager to move the ball forward on this matter. So we need to talk about how we would coordinate if that's the path forward from USDA's perspective, who is USDA's point of contact, when can we have a larger meeting/ discussion, etc.

Thanks for reaching out. My phone number is 202-564-7299.
